The Sea

The Sea

One day all the Ham Hams were at the beach when Boss opened his BIG mouth and said "Did you know that there are mermaids in the sea? They come out every night and sing!" "What are mermaids?" Asked Bijou. Dexter said "Mermaids are things that are half fish and half human manatees were mistaken for mermaids in the 1800's." Bijou said "I think I'll want to ride a dolphin and see mermaid, I am only imagining she will look like. I bet she has blue hair and a blue fish tail and her eyes will be the lightest of the blue, her skin will be as white as snow." "Well I think she will have pink hair and a pink tail!" "Well let's find out!" Said Hamtaro. So they went to the water and dipped their little toes and then Bijou jumped in and came up with the lightest of blue for hair. The ham Hams were amazed she looked wonderful. She had the lightest of blue for her hair and her fins were for her fins. Boss said "I am next!" He jumped in and was ok, he had an orange tail and white hair. Then all the other Ham Hams jumped in and swam and swam and went through a lot of dangerous stuff until they found the mermaid.
